THE STORY

Dina, the protagonist, is a young girl who has the ability to see people's shame. Therefore nobody in her town, Birchen, wants to look her in the eyes and be her friend.

One day Dina's mother, Melussina, from whom she has inherited this power, has to go to Dunark, the capital, to solve a crime.

Drakan, the antagonist, comes and takes Dina to Dunark.

He has an obscure plan.

Along with his mother Dama Lizea.

Dina meets Nico, the castle prince and prisoner.

They manage to escape past Drakan's dragons...

...and hide in Master Maunus' house.

Dina meets Rosa, who will become her best friend.

Drakan takes control of the city, by unleashing his dragons.

Many more dangerous adventures await...

They will escape to the Highlands and a brief safety until their next adventure begins.
